

Chapter 3
Everyone's Feelings

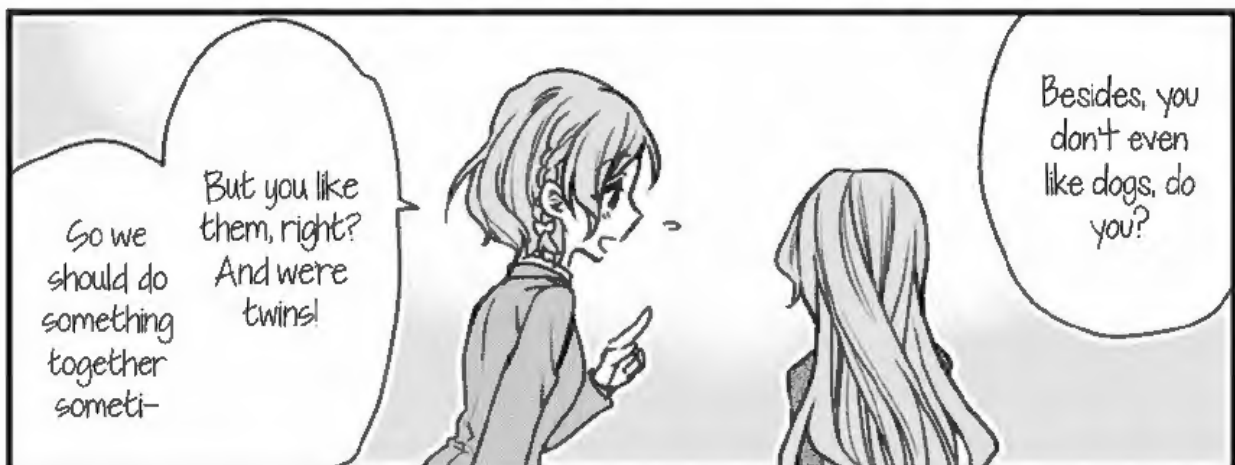

I have it
set to
record, so
I'll watch
it later.
I'm
busy
now.

Then
lets go
to the
living
room!
Dad's
watching
that
show you
like with
dogs.

...Okay.

So we
should do
something
together
someti-

But you like
them, right?
And were
twins!

Besides, you
don't even
like dogs, do
you?

But
Onee-chan,
I...

...!

Can't you
do anything
by yourself
for once?

We agreed that we'd stop interfering with each other now that we're in high school, didn't we?

Go back to your own room.

I have to practice.

Why do we always need to do the same things as each other just because we happened to be born a few minutes apart?

...I'm sorry.

...Um...

...Okay.

If Hina
found out
about the
"festival"

she'd just
copy me
and enter
it as well.

We've
already been
compared to
each other
so much.

And then
she'd easily
surpass my
hard work

with her
talent again,
just like she's
always done...

...I need
to reach
the top....

...We all got caught up in the flow of things back then,

but don't feel you need to join if you don't want to.

A band with Yukina, huh~

I've gotta give it my all!

But still~, that was a surprising turn of events☆

But I just can't leave you alone.

Yeah, I know...

That's not what a band is for...

I know.

I'll still take it seriously.

I'm joining the band because I feel like I have a duty to make sure you're never alone.

I want
to be
close to
you like
this.

That's
all!

Until
the day
Yukina can
smile like she
used to.

.....

I'll make
sure to
practice
hard!

I know!

you'll be
kicked out of
the band...
even if
you're a
friend.

...If you
can't
keep up,

Yeah...
I know.

I get it.

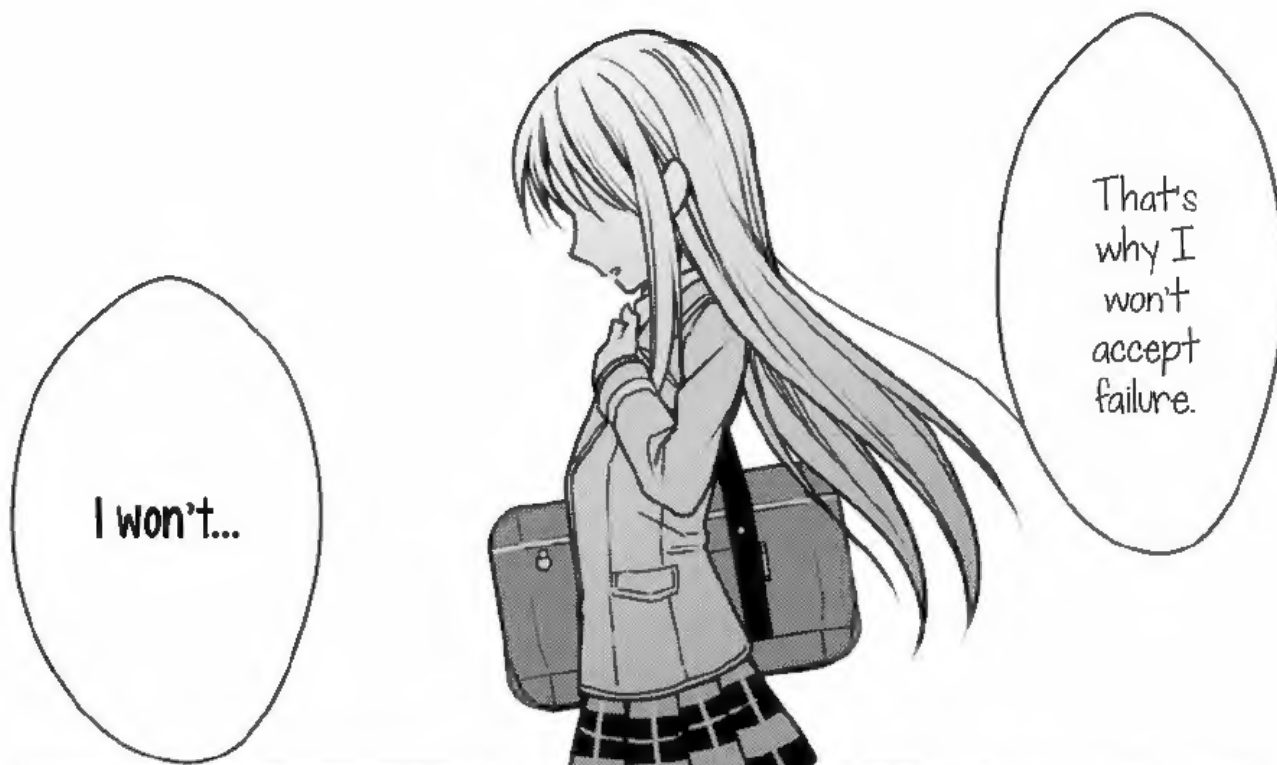

Do you
understand
that?

Once
the band is
complete,
we'll be
entering
the contest
to perform
at FUTURE
WORLD
FES.

My father
stopped
music
entirely
because of
that.
Betrayed
by the
stage he
admired...

That
festival
which cast
my father's
band away
because
"their music
wasn't
needed" and
forced them
into playing
"music that
sells well"...

I won't...

That's
why I
won't
accept
failure.

...Do
whatever
you want.

Sure!!

But... I
won't let
you down.

Well...
I'm not as
good as
everyone
else...
because of
my break
from playing
the bass.

As long as
Yukina
makes
that face,
there's no
way I can
leave her
alone.

Between
dance
club and
practice,
right?

I've been
seeing your
face every
day recently!

Heya!

Ah,
Yukina
-san...
and Lisa
-nee!

Let's have
a good
practice
session
today as
well!

EEEEH
-HH!?

NANANA

I'll
go on
ahead.

*Walks
straight
past*

Wait a
second, we're
not dancing
in the band,
you know.

Anyway,
let's head
for the
studio☆

We're
dancing,
performing,
and
supporting
Yukina's
singing
together!

I'm just making a small shift in my fashion!

Being a gyaru isn't just all about doing your nails.

I'm just changing up my image a bit!

N-No... this is... um...

...Y'know!

At that place in the alley ♪

More importantly, Ako Do you wanna go eat crêpes after practice?

...Lisa -nee...

...Was it to play the bass...?

Lisa.

Crêpes!!

Let's go!!

I know that place, it's always so popular!

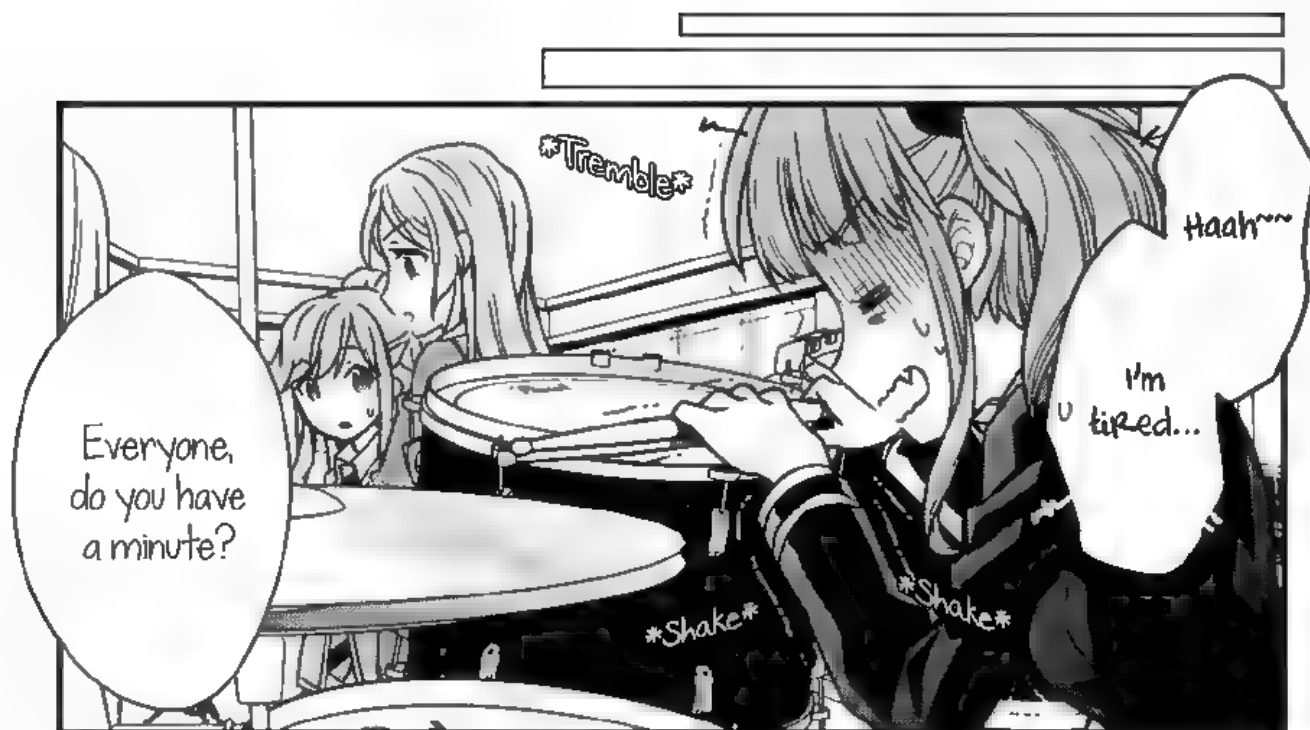

Ako, you
were a bit
late there.

...!
SORRY!

Imai-san, be
more aware of
Udagawa-san's
tempo.

...GOT
IT!

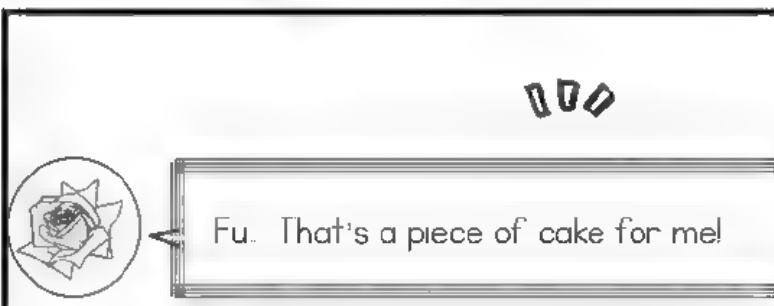

Well, they still tell me off sometimes, but they've come to recognize my abilities!

So you're able to play together better
I wonder if that means your drumming is getting better too?

..It's so fun..

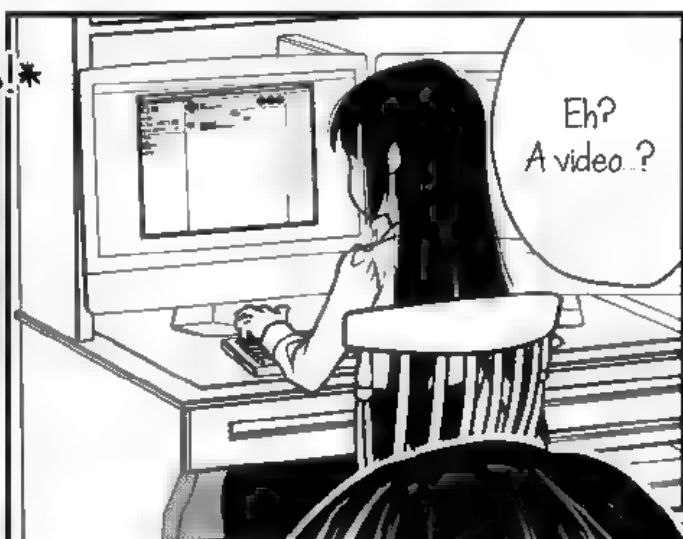

..We've
been talking
about the
band a lot
recently..

I present to you, my companion,
a special viewing of our band practice

practice
scene.mp4

Amazing..

!!

Thank you, that's amazing!
Everyone making one piece of music together
That's what playing together means!

Ako-chan?

Anyway, this video...

This is the first time that
Ako-chan's been the first to stop
talking...

I wonder
if something
happened

if
I play my
piano,
together
with their
performance

like with
Ako-chan's
drumming.

It feels like
my body is
being pulled
towards it.

...Like...
...if...

...what...
would
happen....?

...If I...
just
tried...

just for...
a moment...

playing
my piano
together
with the
video...

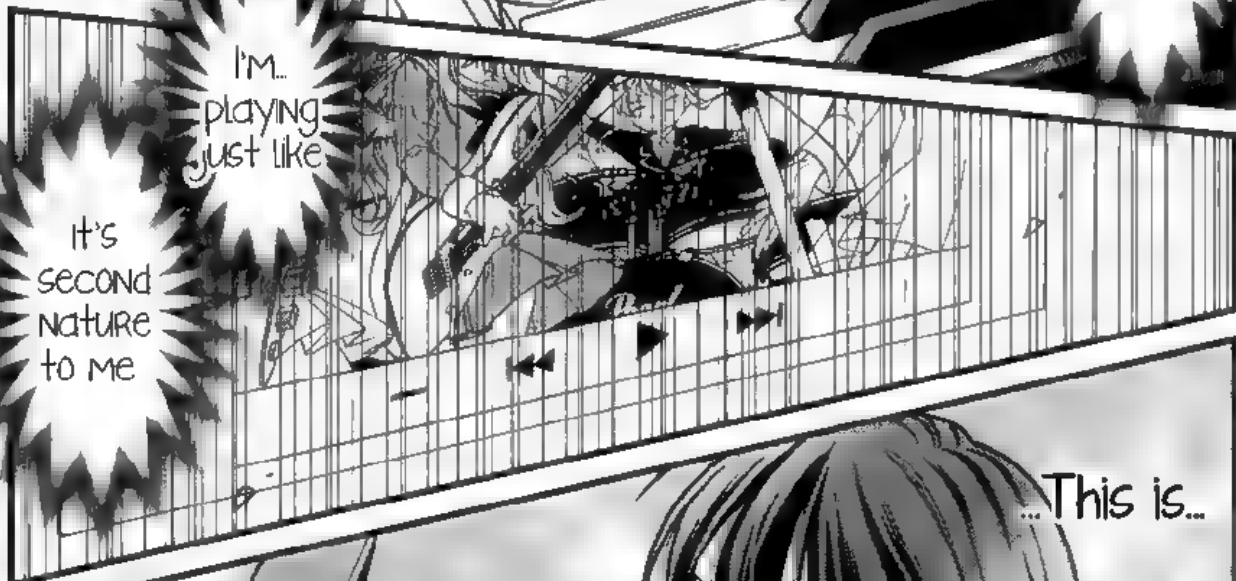

What
is this?

I'm...
playing
just like

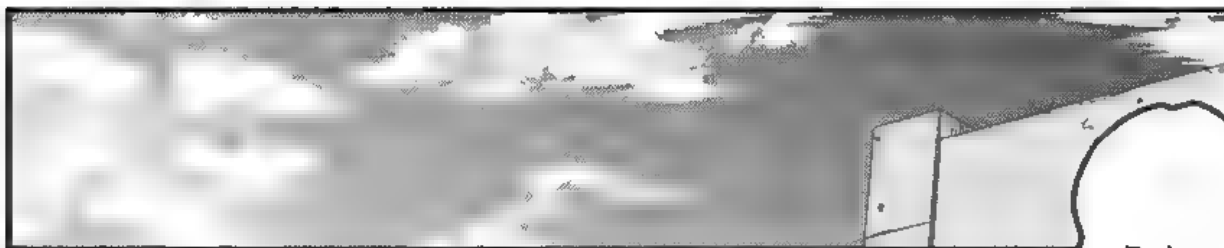

It's
second
nature
to me

...This is...

SO FUN!!

Thank you
for coming
here each
time,
Yukina chan!

Ah, I
know!

Excuse me,
can I make
our next
booking?

Hey...
Udagawa-san,
Imai-san,

people
need to
walk here,
so don't
block the
way

Today
was
tiring
too~

We've just had
a space open
up in an event
and I don't
know anyone
else to ask-

You've
changed from
performing
solo to a
band, right?
So how
about this?

?

No, not
yet.

Do you
have any
plans
for this
time
next
month?

Or do
you have
any lives
scheduled
yet?

They don't know a thing about real music...

All the industry cares about is "making music that sells well."

If you admire your sister and just want to be like her instead of wanting to do music,

then why don't you join your sister's band instead of ours?

?

I don't agree with everything you said there.

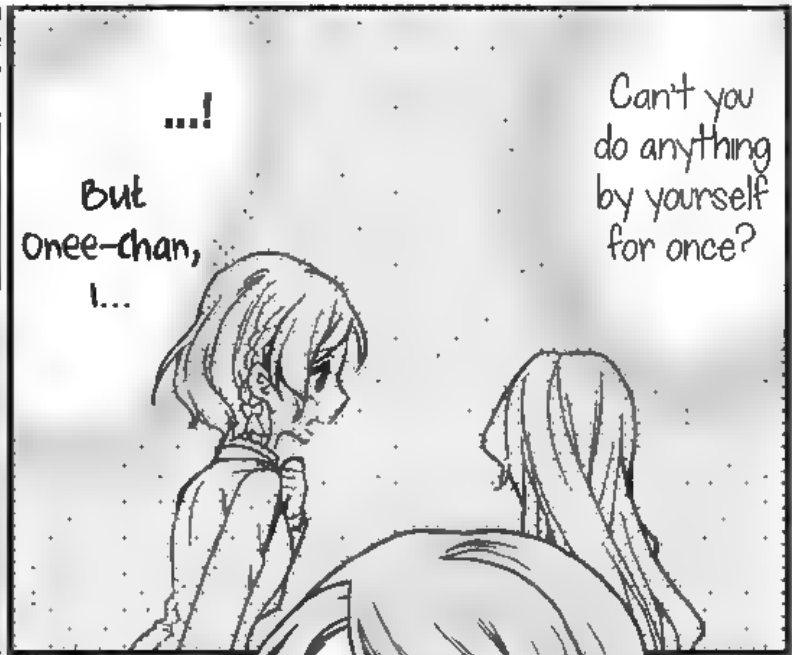

But you're right

Udagawa-san, you talk about your sister a lot.

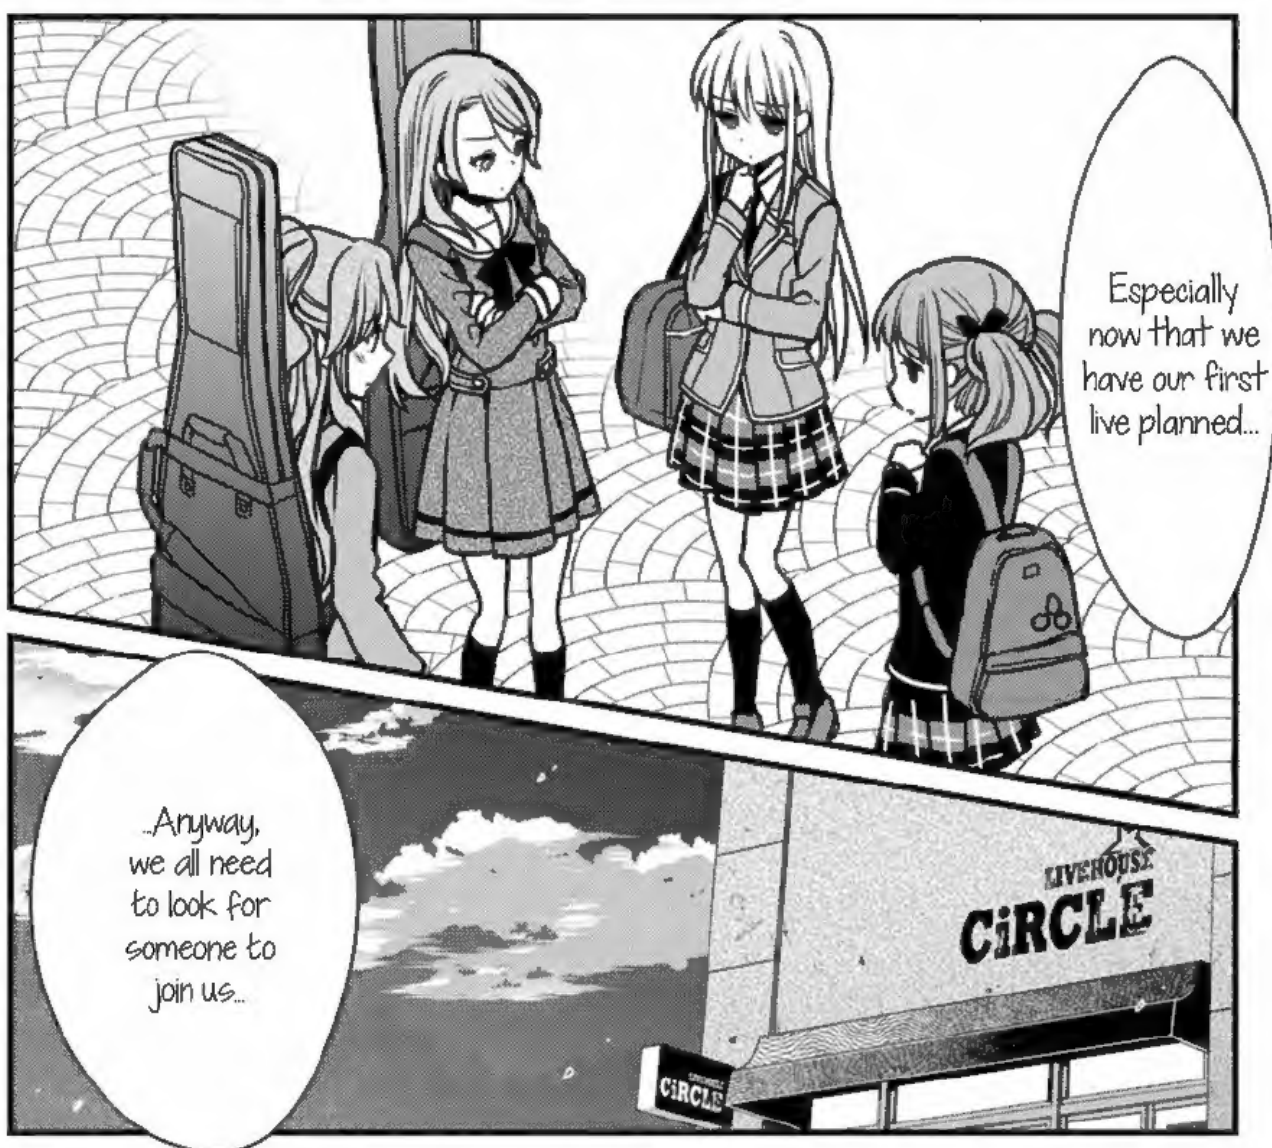

We should all be here to find our very own place.
